

CHSRA always open to new members.....

The CHSRA was founded in 1970. Its aims are the development of sportsmanship, horsemanship, and character in the youth of our country.

To be eligible to join the California High School Rodeo Association, you must be enrolled in high school or attending schools which apply to high school credits. You must be in good standing and meet grade point and conduct requirements in both the National and California High School Rodeo Associations. Our Rodeo season is from September thru May, with Finals in June.

Your high school does not have to recognize rodeo as a school sport. If no one else in your school is high school rodeo, or you don't know them, you can still join by calling the District Membership Secretaries listed below in your appropriate District.

California is divided into Nine Districts by counties. The location of the high school that you attend determines which district you would join. The district numbers and the counties they include are:

DISTRICT 1

Trinity, Modoc, Shasta, Lassen, Tehama, Plumas, Butte, Glenn, Colusa and Siskiyou.
