

California High School Rodeo Association
June 16th Board Meeting Minutes
Bishop, CA

President Brianna Sharp called the meeting to order at 3:06 pm.

JW Brewen motioned to approve minutes from March 19th Board Meeting. John Suther second. Motion unanimously approved.

Marietta Carlin went over financial report. All districts should keep invoices and receipts for treasurers. All districts paid their obligations by May15th! Thank you. Marietta will be contacting districts who are missing financials. Make sure that treasurers are sending in copies of bank statements, a profit and loss statement from Quickbooks and balance sheet from Quickbooks. District 1 was sent a state sponsorship from Les Schwab Tires by mistake, and will need to send to CHSRA.

Tracey Scott motioned to approve the financial report. JW Brewen second. Motion unanimously approved.

Jill Polhemus will oversee scholarship this year, handing over to Karol Flynn at the end of this year. Changes will be made to the Post Office Box, and Karol needs to be added to the Scholarship Account at Wells Fargo.

Jason Griffin motioned to add Karol Flynn as an owner and signer on the CHSRA Scholarship Account at Wells Fargo Bank. Matt Ponce second. Motion was passed unanimously.

Challenge of Champions recap: ran smoothly. Craig did an excellent job, as always. Stock was great, and sponsorships from City of Plymouth and Jackson Rancheria were extremely helpful.

Junior High State Finals recap: Josh Mendonsa and Jason Dewey were Arena Directors. Rodeo ran smoothly and had no major issues. Districts did a great job with their responsibilities and were ready to help where needed. The stock was good and even. Jason asked that district presidents make sure to take a look at the rule book for ribbon roping. The roper must have full contact with the calf before the ribbon is pulled off.

It was mentioned that it was hard to hear when standing between the two arenas. Sound was muffled. The Bull Sale Arena was loud, and made it hard to hear the Pavilion speakers. There was also some congestion at the entry gate, making it somewhat difficult for contestants to get to the gate in the Pavilion.

It was suggested that the event director have someone to help line up the contestants at the gate to make sure that the correct contestant is competing. Another suggestion was to have an additional speaker down by the entry gate for the contestants to hear.

High School State Finals: In the middle of it now. Brandon thanked Jen McGuire, as this has been the best rodeo set up to date. Move in was smooth and no issues.

Concerns to date: Wednesday morning conflicts. Cutting short go, and multiple event contests will have some conflict. At this time, no performance has been more than two and a half hours long. Things are running smoothly with no issues.

Jeromy Sannar would like to look at the schedule for next year and make adjustments to the light rifle schedule. We need to make sure that contestants are checked in with their vests and back numbers before they go to the range to practice. Also, a parent needs to be there to supervise. One parent can supervise a small group, but there must be a parent at the range.

Camping and stalling was smooth. District 9 families did an outstanding job and it was suggested that we hire Melissa Budden again for next year. Casey Darst made the motion to hire Melissa Budden for 2023 High School State Finals. Tracey Scott second. Motion was unanimously approved.

Optional Events for 2022-23:

John Suther made a motion to have cutting as a mandatory event for the season. JW Brewen second. Motion unanimously approved
