

CJHRD will be holding a Junior High Division Queen Contest at the 2024 State Finals. If a district does not have a current Junior High Queen, the contest will be open to any female district member in grades 5-7, in good standing with CHSRA and their respected district.

If the district has a current junior queen, only the current district junior queen will be allowed to enter and compete at the state competition. Any questions, please contact Lauren Prosser, CHSRA Queen Coordinator
